WE'LL
COME TO
YOU!

NO TIME TO TRAVEL TO A WORKSHOP OR TRADESHOW? NO PROBLEM, WE'LL BRING ONE TO YOUR LOCATION!

We understand it's hard for your maintenance staff to leave and go to a trade show or attend a workshop. And if there's an emergency, they don't want to be too far away from the shop. **That's why we'll come to you.** Specialists from different divisions of Horner Industrial will be on-site at a table to answer any questions and provide consultation on your process and maintenance needs. **We won't be giving sales pitches, only guidance!**
